B. Background Information about Kern Family Health Care Medicare (HMO D-SNP)'s Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, drugs, equipment, and other services.
- The term “**providers**” includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - It also includes LTSS providers that you may use as a Kern Family Health Care Medicare (HMO D-SNP) member.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a medical provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.

You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Kern Family Health Care Medicare (HMO D-SNP)** (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Kern Family Health Care Medicare (HMO D-SNP) may not cover the service, item, or drug.

- Referrals or prior authorization **aren't** needed for:
 - emergency care;
 - urgently needed care;

If you have questions, please call Kern Family Health Care Medicare (HMO D-SNP) at 1-866-661-3767 (TTY 711), 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30. The call is free. **For more information**, visit <http://www.kernfamilyhealthcare.com>
Find symbol information by referring to page 18.

- kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area;
 - services from a women's health specialist;
 - Flu shots and pneumonia vaccinations;
 - Crisis stabilization including mental health;
 - Preventive health services for all ages, including immunizations;
 - Communicable disease services, including STI and HIV testing; or
 - COVID-19 testing and specified testing-related services.
- Additionally, if you're an American Indian Member, you may receive services from an Indian Health Care Provider without a referral. We must pay the Indian Health Care Provider for those services even if they're out of our plan's network.
 - More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.
- You'll also be assigned a **Care Team**. Your **Care Team** are a team of medical, behavioral, and ancillary providers, alongside you as the member, and an authorized representative, convening to manage your care and ensure care coordination. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
 - A **Care Coordinator** that helps you manage your medical providers and services. A Care Coordinator is a nurse or health professional who will get to know you and understand your health needs. Your Care Coordinator works in a team with you, your doctor(s), caregivers, and others involved in your health care. The Care Coordinator assesses what services you need, makes a care plan with you to identify services you need, and coordinates your services, and follows up to see how things are going.
 - Your **Primary Care Provider**

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;

If you have questions, please call Kern Family Health Care Medicare (HMO D-SNP) at 1-866-661-3767 (TTY 711), 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30. The call is free. **For more information**, visit <http://www.kernfamilyhealthcare.com>
Find symbol information by referring to page 18.

- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**
 - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, Kern Family Health Care Medicare (HMO D-SNP) will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-866-661-3767 (TTY: 711), 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30, including holidays. The call is free. Or visit <https://www.kernfamilyhealthcare.com>.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 1-866-661-3767 (TTY: 711), 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30, including holidays, and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Kern Family Health Care Medicare (HMO D-SNP) member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as Community-Based Adult Services (CBAS) and In-Home Supportive Services (IHSS). LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access Kern Family Health Care Medicare (HMO D-SNP)'s network providers

You may need a referral for someone who isn't a Primary Care Provider (PCP). There's more information about referrals in **Section B1**.

If you have questions, please call Kern Family Health Care Medicare (HMO D-SNP) at 1-866-661-3767 (TTY 711), 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30. The call is free. **For more information**, visit <http://www.kernfamilyhealthcare.com>

Find symbol information by referring to page 18.

You must get all of your covered services from providers within our network. If you use providers who aren't in Kern Family Health Care Medicare (HMO D-SNP)'s network (**without prior authorization**), **you'll have to pay the bill.**

A **prior authorization** is an approval from Kern Family Health Care Medicare (HMO D-SNP) to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if Kern Family Health Care Medicare (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. For some providers, you may need a referral from your PCP.
- Kern Family Health Care Medicare (HMO D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Kern Family Health Care Medicare (HMO D-SNP) can help you. Talk to your Care Coordinator or Care Team for assistance.

If you have questions, please call Kern Family Health Care Medicare (HMO D-SNP) at 1-866-661-3767 (TTY 711), 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30. D. Background Information about Kern Family Health Care Medicare (HMO D-SNP)'s Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** Kern Family Health Care Medicare (HMO D-SNP) and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by Kern Family Health Care Medicare (HMO D-SNP), other drugs may be covered by Medi-Cal. This can include some over-the-counter medications and certain vitamins. For drugs covered by Medi-Cal, please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

Please contact Kern Family Health Care Medicare (HMO D-SNP) Member Services for assistance at 1-866-661-3767 (TTY 711) 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30.

We also list pharmacies that are in our network but are outside Kern County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Kern Family Health Care Medicare (HMO D-SNP) at 1-866-661-3767 (TTY 711), 8:00 am to 8:00 pm (PST), 7 days a week from October 1 – March 31, and Monday through Friday from April 1 – September 30, for additional information.

Kern Family Health Care Medicare (HMO D-SNP) members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the Kern Family Health Care Medicare (HMO D-SNP) *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

D1. Types of pharmacies in Kern Family Health Care Medicare (HMO D-SNP)'s network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You're not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 100-day supply of your prescription drugs sent directly to your home. A 100-day supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered drugs. A 90-day supply has the same copay as a one-month supply.

E. Kern Family Health Care Medicare (HMO D-SNP)'s List of Network Pharmacies

This part of the Directory includes a list of Kern Family Health Care Medicare (HMO D-SNP)'s network pharmacies that **participate in and accept** Kern Family Health Care Medicare (HMO D-SNP). To get a complete description of your prescription coverage, including how to fill your prescriptions, please review your *Member Handbook* and *Lists of Covered Drugs*. We call it the "Drug List" for short.

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. You can find a network pharmacy near your home by looking at pharmacy addresses provided in the Directory. You can also visit our website or contact Member Services. Generally, we pay for drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. Refer to **Chapter 5** of your *Member Handbook* to find out when we do that.

You can use any of the pharmacies in our network.
