What should you do when you have an urgent medical condition and your doctor does not have an available appointment?

Please go to the nearest contracted urgent care. Kern Family Health Care (KFHC) does not require prior authorization for urgent care services. When you are outside of Kern County and within the United States, you can receive urgent care services from a non-contracted urgent care.

Please remember, you can also call the KFHC Advice Nurse Line at 661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) to get medical advice 24 hours a day, 7 days a week.
