If you lose your KFHC Medi-Cal coverage, you may still qualify for FFS Medi-Cal coverage. If you are not sure if you are still covered by KFHC, call 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Special considerations for American Indians in managed care

American Indians have a right to not enroll in a Medi-Cal managed care plan. Or they may leave their Medi-Cal managed care plan and return to FFS Medi-Cal at any time and for any reason.

If you are an American Indian, you have the right to get health care services at an Indian Health Care Provider (IHCP). You can also stay with or disenroll (drop) from KFHC while getting health care services from these locations. To learn more about enrollment and disenrollment, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

KFHC must provide care coordination for you, including out-of-network case management. If you ask to get services from an IHCP and there is no available in-network IHCP, KFHC must help you find an out-of-network IHCP. To learn more, read “Provider network” in Chapter 3 of this handbook.

How your plan works

KFHC is a managed care health plan contracted with DHCS. KFHC works with doctors, hospitals, and other health care providers in the KFHC service area to provide health care to our members. As a member of KFHC, you may qualify for some services provided through FFS Medi-Cal. These include outpatient prescriptions, non-prescription drugs, and some medical supplies through Medi-Cal Rx.

Member Services will tell you how KFHC works, how to get the care you need, how to schedule provider appointments in during office hours, how to request no-cost interpreting and translation services or written information in alternative formats, and how to find out if you qualify for transportation services.

To learn more, call 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also find member service information online at www.kernfamilyhealthcare.com.

Changing health plans

You can leave KFHC and join another health plan in your county of residence at any time. To

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

choose a new plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711) to choose a new plan. You can call between 8:00 a.m. and 6:00 p.m. Monday through Friday. Or go to <https://www.healthcareoptions.dhcs.ca.gov>.

It takes up to 30 days or more to process your request to leave KFHC and enroll in another plan in your county. To find out the status of your request, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

If you want to leave KFHC sooner, you can call Health Care Options to ask for an expedited (fast) disenrollment.

Members who can request expedited disenrollment include, but are not limited to, children receiving services under the Foster Care or Adoption Assistance programs, members with special health care needs, and members already enrolled in Medicare or another Medi-Cal or commercial managed care plan.

You may ask to leave KFHC in person at your local county health and human services office. Find your local office at: <https://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx>. Or call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711). If you have issues changing your health plan after contacting Health Care Options, you may call the Medi-Cal Managed Care Division, Office of the Ombudsman at 1-888-452-8609 for assistance.

Students who move to a new county or out of California

You can get emergency care and urgent care anywhere in the United States, including the U.S. Territories. Routine and preventive care are covered only in your county of residence. If you are a student who moves to a new county in California to attend higher education, including college, KFHC will cover emergency room and urgent care services in your new county. You can also get routine or preventive care in your new county, but you must notify your MCP. Read more below.

If you are enrolled in Medi-Cal and are a student in a different county from the California county where you live, you do not need to apply for Medi-Cal in that county.

If you temporarily move away from home to be a student in another county in California, you have two choices. You can:

- Tell your eligibility worker at the Kern County Department of Human Services that you are temporarily moving to attend a school for higher education and give them your address in the new county. The county will update the case records with your new address and county code. You must do this if you want to keep getting routine or preventive care while you live in a new county. If KFHC does not serve the county where you will attend college, you might have to change health plans. For questions and to prevent delay joining the new health plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

Or

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

- If KFHC does not serve the new county where you attend college, and you do not change your health plan to one that serves that county, you will only get emergency room and urgent care services for some conditions in the new county. To learn more, read Chapter 3, “How to get care.” For routine or preventive health care, you would need to use the KFHC network of providers located in the head of household’s county of residence.

If you are leaving California temporarily to be a student in another state and you want to keep your Medi-Cal coverage, contact your eligibility worker at the Kern County Department of Human Services. As long as you qualify, Medi-Cal will cover emergency services and urgent care in another state. If KFHC approves the service and the doctor and hospital meet Medi-Cal rules, Medi-Cal will also cover emergency care that requires hospitalization in Canada and Mexico.

Routine and preventive care services, including prescription drugs, are not covered when you are outside of California. You will not qualify for Medi-Cal. KFHC will not pay for your health care. If you want Medicaid in another state, you will need to apply in that state. Medi-Cal does not cover emergency, urgent, or any other health care services outside of the United States, except for Canada and Mexico as noted in Chapter 3.

Continuity of care

Continuity of care for an out-of-network provider

As a member of KFHC, you will get your health care from providers in KFHC’s network. To find out whether the health care provider is in the KFHC’s network, read the KFHC Provider Directory at <https://member.kernfamilyhealthcare.com/findaprovider>. Providers not listed in the directory may not be in the KFHC network.

In some cases, you might be able to get care from providers who are not in the KFHC network. If you were required to change your health plan or to switch from FFS to managed care, or you had a provider who was in network but is now outside the network, you might be able to keep your provider even if they are not in the KFHC network. This is called continuity of care.

If you need to get care from a provider who is outside the network, call KFHC to ask for continuity of care. You may be able to get continuity of care for up to 12 months or more if all of these are true:

- You have an ongoing relationship with the out-of-network provider before enrollment in KFHC
- You went to the out-of-network provider for a non-emergency visit at least once during the 12 months before your enrollment with KFHC
- The out-of-network provider is willing to work with KFHC and agrees to KFHC’s contract requirements and payment for services
- The out-of-network provider meets KFHC’s professional standards

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

- The out-of-network provider is enrolled and participating in the Medi-Cal program

To learn more, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If your providers do not join the KFHC network by the end of 12 months, do not agree to KFHC payment rates, or do not meet quality of care requirements, you will need to change to providers in the KFHC network. To discuss your choices, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

KFHC is not required to provide continuity of care for an out-of-network provider for certain ancillary (supporting) services such as radiology, laboratory, dialysis centers, or transportation. You will get these services with a provider in KFHC’s network.

To learn more about continuity of care and if you qualify, call Member Services.

Completion of covered services from an out-of-network provider

As a member of KFHC, you will get covered services from providers in KFHC’s network. If you are being treated for certain health conditions at the time you enrolled with KFHC or at the time your provider left KFHC’s network, you might also still be able to get Medi-Cal services from an out-of-network provider.

You might be able to continue care with an out-of-network provider for a specific time period if you need covered services for these health conditions:

| Health condition | Time Period |
|---|---|
| Acute conditions (a medical issue that needs fast attention) | For as long as the condition lasts |
| Serious chronic physical and behavioral conditions (a serious health care issue you have had for a long time) | For an amount of time required to finish the course of treatment and to safely move you to a new doctor in the KFHC network |
| Pregnancy and postpartum (after birth care) | During the pregnancy and for up to 12 months after the end of pregnancy |
| Maternal mental health services | For up to 12 months from the diagnosis or from the end of pregnancy, whichever is later |
| Care of a newborn child between birth and age 36 months old | For up to 12 months from the start date of the coverage or the date the provider’s contract ends with KFHC. |

 Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

| | |
|---|---|
| Terminal illness (a life-threatening medical issue) | For as long as the illness lasts. You may still get services for more than 12 months from the date you enrolled with KFHC or the time the provider stops working with KFHC |
| Performance of a surgery or other medical procedure from a out-of-network provider as long as it is covered, medically necessary, and authorized by KFHC as part of a documented course of treatment and recommended and documented by the provider | The surgery or other medical procedure must take place within 180 days of the provider’s contract termination date or 180 days from the effective date of your enrollment with KFHC |

For other conditions that might qualify, contact KFHC Member Services.

If an out-of-network provider is not willing to keep providing services or does not agree to KFHC’s contract requirements, payment, or other terms for providing care, you will not be able to get continued care from the provider. You may be able to keep getting services from a different provider in KFHC’s network.

For help choosing a contracted provider to continue with your care or if you have questions or problems getting covered services from a provider who is no longer in KFHC’s network, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

KFHC is not required to provide continuity of care for services Medi-Cal does not cover or that are covered under Medi-Cal’s contract with DHCS. To learn more about continuity of care, eligibility, and available services, call Member Services.

Costs

Member costs

KFHC serves people who qualify for Medi-Cal. In most cases, KFHC members do not have to pay for covered services, premiums, or deductibles.

If you are an American Indian, you do not have to pay enrollment fees, premiums, deductibles, co-pays, cost sharing, or other similar charges. MCPs must not charge any American Indian member who gets an item or service directly from an IHCP or through a referral to an IHCP or reduce payments due to an IHCP by the amount of any enrollment fee, premium, deductible, copayment, cost sharing, or similar charge.

If you are enrolled in the California Children’s Health Insurance Program (CCHIP) in Santa Clara, San Francisco, or San Mateo counties or are enrolled in Medi-Cal for Families, you might have a monthly premium and co-pays.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Except for emergency care, urgent care, or sensitive care, you must get pre-approval (prior authorization) from KFHC before you visit a provider outside the KFHC network. If you do not get pre-approval (prior authorization) and you go to a provider outside the network for care that is not emergency care, urgent care, or sensitive care, you might have to pay for care you got from that provider. For a list of covered services, read Chapter 4, “Benefits and services” in this handbook. You can also find the Provider Directory on the KFHC website at www.kernfamilyhealthcare.com.

For members with long term care and a share of cost

You might have to pay a share of cost each month for your long-term care services. The amount of your share of cost depends on your income and resources. Each month, you will pay your own health care bills, including but not limited to Long-Term Support Service (LTSS) bills, until the amount you have paid equals your share of cost. After that, KFHC will cover your long-term care for that month. You will not be covered by KFHC until you have paid your entire long-term care share of cost for the month.

How a provider gets paid

KFHC pays providers in these ways:

- Capitation payments
 - KFHC pays some providers a set amount of money every month for each KFHC member. This is called a capitation payment. KFHC and providers work together to decide on the payment amount.
- FFS payments
 - Some providers give care to KFHC members and then send KFHC a bill for the services they provided. This is called a FFS payment. KFHC and providers work together to decide how much each service costs.
- Pay for performance
 - Providers who show they are giving members the best health care are rewarded through the KFHC Pay for Performance (P4P) program.

To learn more about how KFHC pays providers, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield), (TTY 711).

If you get a bill from a health care provider

Covered services are health care services that KFHC must pay. If you get a bill for support services fees, copayments, or registration fees for a covered service, do not pay the bill. Call Member Services right away at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If you get a bill from a pharmacy for a prescription drug, supplies, or supplements, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m. You can also go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Asking KFHC to pay you back for expenses

If you paid for services you already got, you may qualify to be reimbursed (paid back) if you meet **all** of the following conditions:

- The service you got is a covered service that KFHC is responsible to paying. KFHC will not reimburse you for a service that KFHC does not cover.
- You got the covered service after you became an eligible KFHC member.
- You ask to be paid back within one year from the date you got the covered service.
- You show proof that you paid for the covered service, such as a detailed receipt from the provider.
- You got the covered service from a Medi-Cal enrolled provider in KFHC's network. You do not need to meet this condition if you got emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).
- If the covered service normally requires pre-approval (prior authorization), you need to give proof from the provider that shows a medical need for the covered service.

KFHC will tell you if they will reimburse you in a letter called a Notice of Action (NOA). If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, KFHC will pay you back for the full amount you paid. We must reimburse you within 45 working days of receipt of the claim.

If the provider is enrolled in Medi-Cal but is not in the KFHC network and refuses to pay you back, KFHC will pay you back, but only up to the amount that FFS Medi-Cal would pay. KFHC will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval (prior authorization). If you do not meet one of the above conditions, KFHC will not pay you back.

KFHC will not pay you back if:

- You asked for and got services that are not covered by Medi-Cal, such as cosmetic services
- The service is not a covered service for KFHC
- You have an unmet Medi-Cal share of cost
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself
- You have Medicare Part D, co-pays for prescriptions covered by your Medicare Part D plan

3. How to Get Care

Getting health care services

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

You can start getting health care services on your effective date of enrollment in KFHC. Always carry with you your KFHC Identification (ID) card, Medi-Cal Benefits Identification Card (BIC), and any other health insurance cards. Never let anyone else use your BIC or KFHC ID card.

New members with only Medi-Cal coverage must choose a primary care provider (PCP) in the KFHC network. New members with both Medi-Cal and comprehensive other health coverage do not have to choose a PCP.

The KFHC network is a group of doctors, hospitals, and other providers who work with KFHC. You must choose a PCP within 30 days from the time you become a member of KFHC. If you do not choose a PCP, KFHC will choose one for you.

You can choose the same PCP or different PCPs for all family members in KFHC, as long as the PCP is available.

If you have a doctor you want to keep, or you want to find a new PCP, go to the Provider Directory for a list of all PCPs and other providers in the KFHC network. The Provider Directory has other information to help you choose a PCP. If you need a Provider Directory, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also find the Provider Directory on the KFHC website at <https://www.kernfamilyhealthcare.com>.

If you cannot get the care you need from a participating provider in the KFHC network, your PCP or specialist in KFHC's network must ask KFHC for approval to send you to an out-of-network provider. This is called a referral. You do not need a referral to go to an out-of-network provider to get sensitive care services listed under the heading "Sensitive care" later in this chapter.

Read the rest of this chapter to learn more about PCPs, the Provider Directory, and the provider network.

The Medi-Cal Rx program administers outpatient prescription drug coverage. To learn more, read "Other Medi-Cal programs and services" in Chapter 4.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Primary Care Provider (PCP)

Your primary care provider (PCP) is the licensed provider you go to for most of your health care. Your PCP also helps you get other types of care you need. You must choose a PCP within 30 days of enrolling in KFHC. Depending on your age and sex, you can choose a general practitioner, OB/GYN, family practitioner, internist, or pediatrician as your PCP.

A nurse practitioner (NP), physician assistant (PA), or certified nurse midwife can also act as your PCP. If you choose an NP, PA, or certified nurse midwife, you can be assigned a doctor to oversee your care. If you are in both Medicare and Medi-Cal, or if you also have other comprehensive health care insurance, you do not have to choose a PCP.

You can choose an Indian Health Care Provider (IHCP), Federally Qualified Health Center (FQHC), or Rural Health Clinic (RHC) as your PCP. Depending on the type of provider, you might be able to choose one PCP for yourself and your other family members who are members of KFHC, as long as the PCP is available.

Note: American Indians can choose an IHCP as their PCP, even if the IHCP is not in the KFHC network.

If you do not choose a PCP within 30 days of enrollment, KFHC will assign you to a PCP. If you are assigned to a PCP and want to change, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). The change happens the next day of the request.

Your PCP will:

- Get to know your health history and needs
- Keep your health records
- Give you the preventive and routine health care you need
- Refer (send) you to a specialist if you need one
- Arrange for hospital care if you need it

You can look in the Provider Directory to find a PCP in the KFHC network. The Provider Directory has a list of IHCPs, FQHCs, and RHCs that work with KFHC.

You can find the KFHC Provider Directory online at <https://www.kernfamilyhealthcare.com>. Or you can request a Provider Directory to be mailed to you by calling Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also call to find out if the PCP you want is taking new patients.

Choice of doctors and other providers

You know your health care needs best, so it is best if you choose your PCP. It is best to stay with one PCP so they can get to know your health care needs. If you want to change to a

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

new PCP, you can change anytime. You must choose a PCP who is in the KFHC provider network and is taking new patients.

Your new choice will become your PCP on the next business day after you make the change. To change your PCP, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) You can change your PCP online by going to <https://www.kernfamilyhealthcare.com> and logging into your Member Portal account.

KFHC can change your PCP if the PCP is not taking new patients, has left the KFHC network, does not give care to patients your age, or if there are quality concerns with the PCP that are not resolved. KFHC or your PCP might also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If KFHC needs to change your PCP, KFHC will tell you in writing.

If your PCP changes, you will get a letter in the mail. It will have the name of your new PCP. Call Member Services if you have questions about getting a new ID card.

Some things to think about when picking a PCP:

- Does the PCP take care of children?
- Does the PCP work at a clinic I like to use?
- Is the PCP's office close to my home, work or children's school?
- Is the PCP's office near where I live and is it easy to get to the PCP's office?
- Do the doctors and staff speak my language?
- Does the PCP work with a hospital that I like?
- Does the PCP provide the services that I need?
- Do the PCP's office hours fit my schedule?
- Does the PCP work with specialists I use?

Initial Health Appointment (IHA)

KFHC recommends that, as a new member, you visit your new PCP within 120 days for an Initial Health Appointment (IHA). The purpose of the IHA is to help your PCP learn your health care history and needs. Your PCP might ask you questions about your health history or may ask you to complete a questionnaire. Your PCP will also tell you about health education counseling and classes that can help you.

When you call to schedule your IHA appointment, tell the person who answers the phone that you are a member of KFHC. Give your KFHC ID number.

Take your BIC and KFHC ID card to your appointment. It is a good idea to take a list of your medicine and questions with you to your visit. Be ready to talk with your PCP about your health care needs and concerns.

Be sure to call your PCP's office if you are going to be late or cannot go to your appointment.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

If you have questions about IHA, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Routine care

Routine care is regular health care. It includes preventive care, also called wellness or well care. It helps you stay healthy and helps keep you from getting sick. Preventive care includes regular checkups, health education, and counseling.

KFHC recommends that children, especially, get regular routine and preventive care. KFHC members can get all recommended early preventive services recommended by the American Academy of Pediatrics and the Centers for Medicare and Medicaid Services. These screenings include hearing and vision screening, which can help ensure healthy development and learning. For a list of pediatrician-recommended services, read the “Bright Futures” guidelines from the American Academy of Pediatrics at https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf.

Routine care also includes care when you are sick. KFHC covers routine care from your PCP.

Your PCP will:

- Give you most of your routine care, including regular checkups, shots, treatment, prescriptions and medical advice
- Keep your health records
- Refer (send) you to specialists if needed
- Order X-rays, mammograms or lab work if you need them

When you need routine care, you will call your doctor for an appointment. Be sure to call your PCP before you get medical care unless it is an emergency. For an emergency, call **911** or go to the nearest emergency room.

To learn more about health care and services your plan covers, and what it does not cover, read Chapter 4, “Benefits and services” and Chapter 5, “Child and youth well care” in this handbook.

All KFHC providers can use aids and services to communicate with people with disabilities. They can also communicate with you in another language or format. Tell your provider or KFHC what you need.

Provider network

The Medi-Cal provider network is the group of doctors, hospitals, and other providers that work with KFHC to provide Medi-Cal covered services to Medi-Cal members.

KFHC is a managed care health plan. When you choose our Medi-Cal Plan, you are choosing to get your care through our medical care program. You must get most of your covered

services through the KFHC from our in-network providers. You can go to an out-of-network provider without a referral or pre-approval for emergency care or for family planning services. You can also go to an out-of-network provider for out-of-area urgent care when you are in an area that we do not serve. You must have a referral or pre-approval for all other out-of-network services, or they will not be covered.

Note: American Indians can choose an IHCP as their PCP, even if the IHCP is not in the KFHC network.

If your PCP, hospital, or other provider has a moral objection to providing you with a covered service, such as family planning or abortion, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). For more about moral objections, read “Moral objection” later in this chapter.

If your provider has a moral objection to giving you covered health care services, they can help you find another provider who will give you the services you need. KFHC can also help you find a provider who will perform the service.

In-network providers

You will use providers in the KFHC network for most of your health care needs. You will get preventive and routine care from in-network providers. You will also use specialists, hospitals, and other providers in the KFHC network.

To get a Provider Directory of in-network providers, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also find the Provider Directory online at <https://www.kernfamilyhealthcare.com>. To get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711. Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

You must get pre-approval (prior authorization) from KFHC before you go to a provider outside the KFHC network, including inside the KFHC service area, except in these cases:

- If you need emergency care, call 911 or go to the nearest hospital.
- If you are outside the KFHC service area and need urgent care, go to any urgent care facility.
- If you need family planning services, go to any Medi-Cal provider without pre-approval (prior authorization).
- If you need mental health services, go to an in-network provider or a county mental health plan provider, without pre-approval (prior authorization).

If you are not in one of the cases listed above and you do not get pre-approval (prior authorization) before getting care from a provider outside the network, you might be responsible for paying for any care you got from out-of-network providers.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Out-of-network providers who are inside the service area

Out-of-network providers are health care providers that do not have an agreement to work with KFHC. Except for emergency care, you might have to pay for any care you get from out-of-network providers. If you need medically necessary health care services that are not available in the network, you might be able to get them from an out-of-network provider at no cost to you.

KFHC may approve a referral to an out-of-network provider if the services you need are not available in-network or are located very far from your home. If we give you a referral to an out-of-network provider, we will pay for your care.

For urgent care inside the KFHC service area, you must go to a KFHC in-network urgent care provider. You do not need pre-approval (prior authorization) to get urgent care from an in-network provider. You do need to get pre-approval (prior authorization) to get urgent care from an out-of-network provider inside the KFHC service area.

If you get urgent care from an out-of-network provider inside KFHC service area, you might have to pay for that care. You can read more about emergency care, urgent care, and sensitive care services in this chapter.

Note: If you are an American Indian, you can get care at an IHCP outside of our provider network without a referral. An out-of-network IHCP can also refer American Indian members to an in-network provider without first requiring a referral from an in-network PCP.

If you need help with out-of-network services, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Outside the service area

If you are outside of the KFHC service area and need care that is **not** an emergency or urgent, call your PCP right away. Or call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Kern County is KFHC's service area.

For emergency care, call **911** or go to the nearest emergency room. KFHC covers out-of-network emergency care. If you travel to Canada or Mexico and need emergency care requiring hospitalization, KFHC will cover your care. If you are traveling abroad outside of Canada or Mexico and need emergency care, urgent care, or any health care services KFHC will **not** cover your care.

If you paid for emergency care requiring hospitalization in Canada or Mexico, you can ask KFHC to pay you back. KFHC will review your request.

If you are in another state or are in a US Territory such as American Samoa, Guam, Northern Mariana Islands, Puerto Rico, or US Virgin Islands, you are covered for emergency care. Not all hospitals and doctors accept Medicaid. (Medi-Cal is what Medicaid is called in California

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

only.) If you need emergency care outside of California, tell the hospital or emergency room doctor as soon as possible that you have Medi-Cal and are a member of KFHC.

Ask the hospital to make copies of your KFHC ID card. Tell the hospital and the doctors to bill KFHC. If you get a bill for services you got in another state, call KFHC right away. We will work with the hospital and/or doctor to arrange for KFHC to pay for your care.

If you are outside of California and have an emergency need to fill outpatient prescription drugs, have the pharmacy call Medi-Cal Rx at 1-800-977-2273.

Note: American Indians may get services at out-of-network IHCPs.

If you have questions about out-of-network or out-of-service-area care, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). If the office is closed and you want help from a representative, call 1-800-391-2000 and select the option to speak with a nurse.

If you need urgent care out of the KFHC service area, go to the nearest urgent care facility. If you are traveling outside the United States and need urgent care, KFHC will not cover your care. For more on urgent care, read “Urgent care” later in this chapter.

How managed care works

KFHC is a managed care plan. KFHC provides care to members who live or work in Kern County. In managed care, your PCP, specialists, clinic, hospital, and other providers work together to care for you.

KFHC contracts with medical groups to provide care to KFHC members. A medical group is made up of doctors who are PCPs and specialists. The medical group works with other providers such as laboratories and durable medical equipment suppliers. The medical group is also connected with a hospital. Check your KFHC ID card for the names of your PCP, medical group, and hospital.

When you join KFHC, you choose or are assigned to a PCP. Your PCP is part of a medical group. Your PCP and medical group direct the care for all of your medical needs. Your PCP may refer you to specialists or order lab tests and X-rays. If you need services that require pre-approval (prior authorization), KFHC or your medical group will review the pre-approval (prior authorization) and decide whether to approve the service.

In most cases, you must go to specialists and other health professionals who work with the same medical group as your PCP. Except for emergencies, you must also get hospital care from the hospital connected with your medical group.

Sometimes, you might need a service that is not available from a provider in the medical group. In that case, your PCP will refer you to a provider who is in another medical group or

is outside the network. Your PCP will ask for pre-approval (prior authorization) for you to go to this provider.

In most cases, you must have prior authorization from your PCP, medical group, or KFHC before you can go to an out-of-network provider or a provider who is not part of your medical group. You do not need pre-approval (prior authorization) for emergency services, family planning services, or in-network mental health services.

Members who have both Medicare and Medi-Cal

If you have Medicare and Medi-Cal you should have access to providers who are part of your Medicare coverage as well as providers who are part of KFHC and Medi-Cal. Please refer to your Medicare Advantage Plan benefits handbook and provider directory to find out more. Or call your Medicare Advantage Plan if you have questions about what your Medicare Advantage Plan covers or what providers you can get service from.

Doctors

You will choose a doctor from the KFHC Provider Directory as your PCP. The doctor you choose must be an in-network provider. To get a copy of the KFHC Provider Directory, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Or find it online at <https://www.kernfamilyhealthcare.com>.

If you are choosing a new PCP, you should also call the PCP you want to make sure they are taking new patients.

If you had a doctor before you were a member of KFHC, and that doctor is not part of the KFHC network, you might be able to keep that doctor for a limited time. This is called continuity of care. You can read more about continuity of care in this handbook. To learn more, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If you need a specialist, your PCP will refer you to a specialist in the KFHC network. Some specialists do not require a referral. For more on referrals, read “Referrals” later in this chapter.

Remember, if you do not choose a PCP, KFHC will choose one for you, unless you have other comprehensive health coverage in addition to Medi-Cal. You know your health care needs best, so it is best if you choose. If you are in both Medicare and Medi-Cal, or if you have other health care insurance, you do not have to choose a PCP from KFHC.

If you want to change your PCP, you must choose a PCP from the KFHC Provider Directory. Be sure the PCP is taking new patients. To change your PCP, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also log into your Member Portal account and select Change my PCP from the Quick Links menu to

select and change your PCP.

Hospitals

In an emergency, call **911** or go to the nearest hospital.

If it is not an emergency and you need hospital care, your PCP will decide which hospital you go to. You will need to go to a hospital that your PCP uses and is in the KFHC provider network. The Provider Directory lists the hospitals in the KFHC network.

Women's health specialists

You can go to a women's health specialist in KFHC's network for covered care necessary to provide women's routine care services. You do not need a referral or authorization from your PCP to get these services. For help finding a women's health specialist, you can call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also call the 24/7 Advice Nurse Line at 1-800-391-2000.

Provider Directory

The KFHC Provider Directory lists providers in the KFHC network. The network is the group of providers that work with KFHC.

The KFHC Provider Directory lists hospitals, PCPs, specialists, nurse practitioners, nurse midwives, physician assistants, family planning providers, FQHCs, outpatient mental health providers, managed long-term services and supports (MLTSS), Freestanding Birth Centers (FBCs), IHCPs, and RHCs.

The Provider Directory has KFHC in-network provider names, specialties, addresses, phone numbers, business hours, and languages spoken. It tells you if the provider is taking new patients. It also gives the physical accessibility for the building, such as parking, ramps, stairs with handrails, and restrooms with wide doors and grab bars. To learn more about a doctor's education, training, and board certification, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

You can find the online Provider Directory at <https://www.kernfamilyhealthcare.com>.

If you need a printed Provider Directory, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at <https://medi-calrx.dhcs.ca.gov/home/>. You can also find a pharmacy near you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711.

Timely access to care

Your in-network provider must provide timely access to care based on your health care needs. At minimum, they must offer you an appointment listed in the time frames in

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

the table below.

| Appointment type | You should be able to get appointment within: |
|---|--|
| Urgent care appointments that do not require pre-approval (prior authorization) | 48 hours |
| Urgent care appointments that do require pre-approval (prior authorization) | 96 hours |
| Non-urgent (routine) primary care appointments | 10 business days |
| Non-urgent (routine) specialist care appointments | 15 business days |
| Non-urgent (routine) mental health provider (non-doctor) care appointments | 10 business days |
| Non-urgent (routine) mental health provider (non-doctor) follow-up care appointments | 10 business days of last appointment |
| Non-urgent (routine) appointments for ancillary (supporting) services for the diagnosis or treatment of injury, illness or other health condition | 15 business days |
| Other wait time standards | You should be able to get connected within: |
| Member services telephone wait times during normal business hours | 10 minutes |
| Telephone wait times for Nurse Advice Line | 30 minutes (connected to nurse) |

Sometimes waiting longer for an appointment is not a problem. Your provider might give you a longer wait time if it would not be harmful to your health. It must be noted in your record that a longer wait time will not be harmful to your health. Also, if you prefer to wait for a later appointment that will better fit your schedule or go to another provider of your choice, your provider or your KFHC will respect your wish.

Your doctor may recommend a specific schedule for preventive services, follow-up care for ongoing conditions, or standing referrals to specialists, depending on your needs.

Tell us if you need interpreter services when you call KFHC or when you get covered services. Interpreter services, including sign language, are available at no cost to you. We highly discourage the use of minors or family members as interpreters. To learn more about interpreter services we offer, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield).

If you need interpreter services, including sign language, at a Medi-Cal Rx pharmacy, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m.

Travel time and distance to care

KFHC must follow travel time or distance standards for your care. Those standards help make sure you can get care without having to travel too far from where you live. Travel time or distance standards depend on the county you live in.

If KFHC is not able to provide care to you within these travel time or distance standards, DHCS may allow a different standard, called an alternative access standard. For KFHC's time or distance standards for where you live, visit [Accessibility Standards | Kern Family Health Care](https://kernfamilyhealthcare.com/members/member-resources/accessibility-standards/) (<https://kernfamilyhealthcare.com/members/member-resources/accessibility-standards/>). Or call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (TTY 711).

If you need care from a provider located far from where you live, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). They can help you find care with a provider located closer to you. If KFHC cannot find care for you from a closer provider, you can ask KFHC to arrange transportation for you to go to your provider, even if that provider is located far from where you live.

If you need help with pharmacy providers, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711.

It is considered far if you cannot get to that provider within the KFHC's travel time or distance standards for your county, regardless of any alternative access standard KFHC might use for your ZIP Code.

Appointments

When you need health care:

- Call your PCP
- Have your KFHC ID number ready on the call
- Leave a message with your name and phone number if the office is closed
- Take your BIC and KFHC ID card to your appointment
- Ask for transportation to your appointment, if needed
- Ask for needed language assistance or interpretation services, before your

appointment to have the services at the time of your visit

- Be on time for your appointment, arrive a few minutes early to sign in, fill out forms and answer any questions your PCP may have
- Call right away if you cannot keep your appointment or will be late
- Have your questions and medication information ready

If you have an emergency, call **911** or go to the nearest emergency room. If you need help deciding how urgently you need care and your PCP is not available to speak with you, call the Nurse Advice Line at 1-800-391-2000.

Getting to your appointment

If you don't have a way to get to and from your appointments for covered services, KFHC can help arrange transportation for you. Depending on your situation, you may qualify for either Medical Transportation or for Non-Medical Transportation. These transportation services are not for emergencies and may be available at no cost to you.

If you are having an emergency, call **911**. Transportation is available for services and appointments not related to emergency care. They may be available at no cost to you.

To learn more, read, "Transportation benefits for situations that are not emergencies" below.

Canceling and rescheduling

If you can't get to your appointment, call your provider's office right away. Most doctors require you to call 24 hours (1 business day) before your appointment if you have to cancel. If you miss repeated appointments, your doctor might stop providing care to you and you will have to find a new doctor.

Payment

You do **not** have to pay for covered services unless you have a share of cost for long-term care. To learn more, read "For members with long-term care and a share of cost" in Chapter 2. In most cases, you will not get a bill from a provider. You must show your KFHC ID card and your Medi-Cal BIC when you get health care services or prescriptions, so your provider knows who to bill. You can get an Explanation of Benefits (EOB) or a statement from a provider. EOBs and statements are not bills.

If you do get a bill, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). If you get a bill for prescriptions, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711. Or visit the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Tell KFHC the amount you are being charged, the date of service, and the reason for the bill. You do not need to pay providers for any amount owed by KFHC for any covered service. You must get pre-approval (prior authorization) from KFHC before you visit an out-of-network

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

provider except when:

- You need emergency services, in which case dial 911 or go to the nearest hospital
- You need family planning services or services related to testing for sexually transmitted infections, in which case you can go to any Medi-Cal provider without pre-approval (prior authorization)
- You need mental health services, in which case you can go to either an in-network provider or a county mental health plan provider without pre-approval (prior authorization)

If you get care from an out-of-network provider and you did not get pre-approval (prior authorization) from KFHC, you might have to pay for the care you got. If you need to get medically necessary care from an out-of-network provider because it is not available in the KFHC network, you will not have to pay as long as the care is a Medi-Cal covered service and you got pre-approval (prior authorization) from KFHC for it. To learn more about emergency care, urgent care, and sensitive services, go to those headings in this chapter.

If you get a bill or are asked to pay a co-pay you don't think you have to pay, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). If you pay the bill, you can file a claim form with KFHC. You will need to tell KFHC in writing why you had to pay for the item or service. KFHC will read your claim and decide if you can get money back.

For questions about how to file a claim, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). You can also file a claim online by going to <https://www.kernfamilyhealthcare.com> and logging into your Member Portal account. Click on Reimbursement Request to get started.

If you get services in the Veterans Affairs system or get non-covered or unauthorized services outside of California, you might be responsible for payment.

KFHC will not pay you back if:

- The services are not covered by Medi-Cal such as cosmetic services
- You have an unmet Medi-Cal share of cost
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself
- You asked to be paid back for co-pays for prescriptions covered by your Medicare Part D plan.

Referrals

If you need a specialist for your care, your PCP or another specialist will give you a referral to one. A specialist is a provider who focuses on one type of health care service. The doctor who refers you will work with you to choose a specialist. To help make sure you can go to a specialist in a timely way, DHCS sets time frames for members to get appointments. These time frames are listed in "Timely access to care" in this handbook. Your PCP's office can help

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

you set up an appointment with a specialist.

Other services that might need a referral include in-office procedures, X-rays, lab work, and imaging, second opinions, minor surgery, or other tests to understand your health and coordinate your care.

Your PCP might give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. We will review the referral and make a decision. We will send you and your PCP a notice in the mail about our decision. If the referral is approved, the specialist will treat you for the approved service as long as the referral has not expired.

If you have a health problem that needs special medical care for a long time, you might need a standing referral. This means you can go to the same specialist more than once without getting a referral each time.

If you have trouble getting a standing referral or want a copy of the KFHC referral policy, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

You do **not** need a referral for:

- PCP visits
- Obstetrics/Gynecology (OB/GYN) visits
- Urgent or emergency care visits
- Adult sensitive services, such as sexual assault care
- Family planning services (to learn more, call Office of Family Planning Information and Referral Service at 1-800-942-1054)
- HIV testing and counseling (12 years or older)
- Sexually transmitted infection services (12 years or older)
- Chiropractic services (a referral may be required when provided by out-of-network FQHCs, RHCs and IHCPs)
- Initial mental health assessment
- Acupuncture – the first two services per month; additional appointments will need approval
- Podiatry services
- Dialysis

Minors can also get certain outpatient mental health services, sensitive services, and substance use disorder services without parent’s consent. To learn more, read “Minor consent services” in this chapter and “Substance use disorder treatment services” in Chapter 4 of this handbook.

California Cancer Equity Act referrals

Effective treatment of complex cancers depends on many factors. These include getting the right diagnosis and getting timely treatment from cancer experts. If you are diagnosed with

a complex cancer, the new California Cancer Care Equity Act allows you to ask for a referral from your doctor to get cancer treatment from an in-network National Cancer Institute (NCI)-designated cancer center, NCI Community Oncology Research Program (NCORP)-affiliated site, or a qualifying academic cancer center.

If KFHC does not have an in-network NCI-designated cancer center, KFHC will allow you to ask for a referral to get cancer treatment from one of these out-of-network centers in California, if one of the out-of-network centers and KFHC agree on payment, unless you choose a different cancer treatment provider.

If you have been diagnosed with cancer, contact KFHC to find out if you qualify for services from one of these cancer centers.

Pre-approval (prior authorization)

For some types of care, your PCP or specialist will need to ask KFHC for permission before you get the care. This is called asking for pre-approval or prior authorization. It means KFHC must make sure the care is medically necessary (needed).

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under age 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition.

The following services always need pre-approval (prior authorization), even if you get them from a provider in the KFHC network:

- Hospitalization, if not an emergency
- Services out of the KFHC service area, if not an emergency or urgent care
- Outpatient surgery
- Long-term care or skilled nursing services at a nursing facility
- Specialized treatments, imaging, testing, and procedures
- Medical transportation services when it is not an emergency.
- Some physician administered drugs given in provider offices including those injected or infused (given through a fluid in the vein) as appropriate
- Some vaccines not recommended by the Advisory Committee on Immunization Practices (ACIP)

Emergency ambulance services do not require pre-approval (prior authorization).

Under Health and Safety Code Section 1367.01(h)(1), KFHC has 5 business days from when

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

KFHC gets the information reasonably needed to decide (approve or deny) pre-approval (prior authorization) requests. For requests a provider made or when KFHC finds that following the standard time frame could seriously endanger your life or health or ability to attain, maintain, or regain maximum function, KFHC will make an expedited (fast) pre-approval (prior authorization) decision.

KFHC will give you notice as quickly as your health condition requires and no later than 72 hours after getting the request for services.

Clinical or medical staff such as doctors, nurses, and pharmacists review pre-approval (prior authorization) requests.

KFHC does not influence the reviewers' decision to deny or approve coverage or services in any way. If KFHC does not approve the request, KFHC will send you a Notice of Action (NOA) letter. The NOA will tell you how to file an appeal if you do not agree with the decision.

KFHC will contact you if KFHC needs more information or more time to review your request.

You never need pre-approval (prior authorization) for emergency care, even if it is out of the network or out of your service area. This includes labor and delivery if you are pregnant. You do not need pre-approval (prior authorization) for certain sensitive care services. To learn more about sensitive care services, read "Sensitive care" later in this chapter.

For questions about pre-approval (prior authorization), call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you might want a second opinion if you want to make sure your diagnosis is correct, you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan and it has not worked.

If you want to get a second opinion, we will refer you to a qualified in-network provider who can give you a second opinion. For help choosing a provider, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

KFHC will pay for a second opinion if you or your in-network provider asks for it, and you get the second opinion from an in-network provider. You do not need pre-approval (prior authorization) from KFHC to get a second opinion from an in-network provider. Your in-network provider can help you get a referral for a second opinion if you need one.

If there is no provider in the KFHC network who can give you a second opinion, KFHC will pay for a second opinion from an out-of-network provider. KFHC will tell you within 5 business days if the provider you choose for a second opinion is approved. If you have a

chronic, severe, or serious illness, or have an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, KFHC will tell you in writing within 72 hours.

If KFHC denies your request for a second opinion, you can file a grievance. To learn more about grievances, read “Complaints” in Chapter 6 of this handbook.

Sensitive care

Minor consent services

If you are under age 18, you can get some services without a parent or guardian’s permission. These services are called minor consent services.

You may get these services without your parent or guardian’s permission:

- Sexual assault services, including outpatient mental health care
- Pregnancy
- Family planning and birth control
- Abortion services

If you are 12 years old or older, you may also get these services without your parent’s or guardian’s permission:

- Outpatient mental health care for:
 - Sexual assault
 - Incest
 - Physical assault
 - Child abuse
 - When you have thoughts of hurting yourself or others
- HIV/AIDS prevention, testing, and treatment
- Sexually transmitted infections prevention, testing, and treatment
- Substance use disorder treatment
 - To learn more, read “Substance use disorder treatment services” in Chapter 4 of this handbook.

For pregnancy testing, family planning services, birth control services, or services for sexually transmitted infections, the doctor or clinic does not have to be in the KFHC network. You can choose any Medi-Cal provider and go to them for these services without a referral or pre-approval (prior authorization).

For minor consent services that are not specialty mental health services, you can go to an in-network provider without a referral and without pre-approval (prior authorization). Your PCP does not have to refer you and you do not need to get pre-approval (prior authorization) from KFHC to get covered minor consent services.

Minor consent services that are specialty mental health services are not covered. Specialty

mental health services are covered by the county mental health plan for the county where you live.

Minors can talk to a representative in private about their health concerns by calling the 24/7 Nurse Advice Line at 1-800-391-2000.

KFHC will not send information about getting sensitive services to parents or guardians. To learn more about how to ask for confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7 of this handbook.

Adult sensitive care services

As an adult, 18 years or older, you may not want to go to your PCP for certain sensitive or private care. You can choose any doctor or clinic for these types of care:

- Family planning and birth control including sterilization for adults 21 and older
- Pregnancy testing and counseling
- HIV/AIDS prevention and testing
- Sexually transmitted infections prevention, testing, and treatment
- Sexual assault care
- Outpatient abortion services

For sensitive care, the doctor or clinic does not have to be in the KFHC network. You can choose to go to any Medi-Cal provider for these services without a referral or pre-approval (prior authorization) from KFHC. If you got care not listed here as sensitive care from an out-of-network provider, you might have to pay for it.

If you need help finding a doctor or clinic for these services, or help getting to these services (including transportation), call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Or call the 24/7 Nurse Advice Line at 1-800-391-2000.

KFHC will not disclose medical information related to sensitive services to any other member without written authorization from you, the member receiving care. To learn more about how to ask for confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7.

Moral Objection

Some providers have a moral objection to some covered services. They have a right to **not** offer some covered services if they morally disagree with the services. If your provider has a moral objection, they will help you find another provider for the needed services. KFHC can also help you find a provider.

Some hospitals and providers do not provide one or more of these services even if they are covered by Medi-Cal:

- Family planning

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

- Contraceptive services, including emergency contraception
- Sterilization, including tubal ligation at the time of labor and delivery
- Infertility treatments
- Abortion

To make sure you choose a provider who can give you the care you and your family needs, call the doctor, medical group, independent practice association, or clinic you want. Or call KFHC at Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Ask if the provider can and will provide the services you need.

These services are available to you. KFHC will make sure you and your family members can use providers (doctors, hospitals, clinics) who will give you the care you need. If you have questions or need help finding a provider, call KFHC at Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Urgent care

Urgent care is **not** for an emergency or life-threatening condition. It is for services you need to prevent serious damage to your health from a sudden illness, injury, or complication of a condition you already have. Most urgent care appointments do not need pre-approval (prior authorization). If you ask for an urgent care appointment, you will get an appointment within 48 hours. If the urgent care services you need require a pre-approval (prior authorization), you will get an appointment within 96 hours of your request.

For urgent care, call your PCP. If you cannot reach your PCP, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Or you can call the 24/7 Nurse Advice Line at 1-800-391-2000, to learn the level of care that is best for you by speaking to a nurse or listening to our health library.

If you need urgent care out of the area, go to the nearest urgent care facility.

Urgent care needs could be:

- Cold
- Sore throat
- Fever
- Ear pain
- Sprained muscle
- Maternity services

You must get urgent care services from an in-network provider when you are inside KFHC's service area. You do not need pre-approval (prior authorization) for urgent care from in-network providers inside KFHC's service area. If you are outside the KFHC service area, but inside the United States, you do not need pre-approval (prior authorization) to get urgent care.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Go to the nearest urgent care facility. Medi-Cal does not cover urgent care services outside the United States. If you are traveling outside the United States and need urgent care, we will not cover your care.

If you need mental health urgent care, call your county mental health plan or Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Call your county mental health plan or your KFHC Behavioral Health Organization any time, 24 hours a day, 7 days a week. To find all counties' toll-free telephone numbers online, go to: <https://www.dhcs.ca.gov/individuals/Pages/MHPContactList.aspx>.

If you get medicines as part of your covered urgent care visit, KFHC will cover them as part of your covered visit. If your urgent care provider gives you a prescription to take to a pharmacy, Medi-Cal Rx will decide if it is covered. To learn more about Medi-Cal Rx, read "Prescription drugs covered by Medi-Cal Rx" in "Other Medi-Cal programs and services" in Chapter 4.

Emergency care

For emergency care, call **911** or go to the nearest emergency room (ER). For emergency care, you do **not** need pre-approval (prior authorization) from KFHC.

Inside the United States, including any United States Territory, you have the right to use any hospital or other setting for emergency care.

If you are outside the United States, only emergency care requiring hospitalization in Canada and Mexico are covered. Emergency care and other care in other countries are not covered.

Emergency care is for life-threatening medical conditions. This care is for an illness or injury that a prudent (reasonable) layperson (not a health care professional) with average knowledge of health and medicine could expect that, if you don't get care right away, you would place your health (or your unborn baby's health) in serious danger. This includes risking serious harm to your bodily functions, body organs or body parts. Examples may include, but are not limited to:

- Active labor
- Broken bone
- Severe pain
- Chest pain
- Trouble breathing
- Severe burn
- Drug overdose
- Fainting
- Severe bleeding
- Psychiatric emergency conditions, such as severe depression or suicidal thoughts (this may be covered by county mental health plans)

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Do **not** go to the ER for routine care or care that is not needed right away. You should get routine care from your PCP, who knows you best. If you are not sure if your medical condition is an emergency, call your PCP. You can also call the 24/7 Advice Nurse Line at 1-800-391-2000.

If you need emergency care away from home, go to the nearest ER even if it is not in the KFHC network. If you go to an ER, ask them to call KFHC. You or the hospital that admitted you should call KFHC within 24 hours after you get emergency care. If you are traveling outside the United States other than to Canada or Mexico and need emergency care, KFHC will **not** cover your care.

If you need emergency transportation, call **911**. You do not need to ask your PCP or KFHC before you go to the ER.

If you need care in an out-of-network hospital after your emergency (post-stabilization care), the hospital will call KFHC.

Remember: Do not call **911** unless it is an emergency. Get emergency care only for an emergency, not for routine care or a minor illness like a cold or sore throat. If it is an emergency, call **911** or go to the nearest emergency room.

KFHC Nurse Advice Line gives you free medical information and advice 24 hours a day, every day of the year. Call 1-800-391-2000 (TTY 711).

Nurse Advice Line

KFHC Nurse Advice Line gives you free medical information and advice 24 hours a day, every day of the year. Call 1-800-391-2000 (TTY 711) to:

- Talk to a nurse who will answer medical questions, give care advice, and help you decide if you should go to a provider right away
- Get help with medical conditions such as diabetes or asthma, including advice about what kind of provider may be right for your condition

The Nurse Advice Line **cannot** help with clinic appointments or medication refills. Call your provider's office if you need help with these.

Advance directives

An advance health directive is a legal form. You can list on the form the health care you want in case you cannot talk or make decisions later. You can also list what care you do **not** want. You can name someone, such as a spouse, to make decisions for your health care if you cannot.

You can get an advance directive form at pharmacies, hospitals, law offices, and doctors' offices. You might have to pay for the form. You can also find and download a free form

online. You can ask your family, PCP, or someone you trust to help you fill out the form.

You have the right to have your advance directive placed in your medical records. You have the right to change or cancel your advance directive at any time.

You have the right to learn about changes to advance directive laws. KFHC will tell you about changes to the state law no longer than 90 days after the change.

To learn more, you can call KFHC at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Organ and tissue donation

You can help save lives by becoming an organ or tissue donor. If you are between 15 and 18 years old, you can become a donor with the written consent of your parent or guardian. You can change your mind about being an organ donor at any time. If you want to learn more about organ or tissue donation, talk to your PCP. You can also visit the United States Department of Health and Human Services website at <https://www.organdonor.gov>.

4. Benefits and Services

What your health plan covers

This chapter explains your covered services as a member of KFHC. Your covered services are free as long as they are medically necessary and provided by an in-network provider. You must ask us for pre-approval (prior authorization) if the care is out-of-network except for certain sensitive services and emergency care. Your health plan might cover medically necessary services from an out-of-network provider, but you must ask KFHC for pre-approval (prior authorization) for this.

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under the age of 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition. For more on your covered services, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

diagnosed disease, illness or injury.

Medically necessary services include those services that are necessary for age-appropriate growth and development, or to attain, maintain, or regain functional capacity.

For members under 21 years of age, a service is medically necessary if it is necessary to correct or improve defects and physical and mental illnesses or conditions under the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit. This includes care that is necessary to fix or help relieve a physical or mental illness or condition or maintain the member's condition to keep it from getting worse.

Medically necessary services do not include:

- **Treatments that are untested or still being tested**
- **Services or items not generally accepted as effective**
- **Services outside the normal course and length of treatment or services that don't have clinical guidelines**
- **Services for caregiver or provider convenience**

KFHC coordinates with other programs to be sure you get all medically necessary services, even if those services are covered by another program and not KFHC.

Medically necessary services include covered services that are reasonable and necessary to:

- Protect life,
- Prevent significant illness or significant disability,
- Alleviate severe pain,
- Achieve age-appropriate growth and development, or
- Attain, maintain, and regain functional capacity.

For members younger than 21 years old, medically necessary services include all covered services listed above plus any other necessary health care, diagnostic services, treatment, and other measures to correct or improve defects and physical and mental illnesses and conditions, the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit requires.

EPSDT provides prevention, diagnostic, and treatment services for low-income infants, children, and adolescents under age 21. EPSDT covers more services than the benefit for adults. It is designed to make sure children get early detection and care to prevent or diagnose and treat health problems. The EPSDT goal is to make sure every child gets the health care they need when they need it – the right care to the right child at the right time in the right setting.

KFHC will coordinate with other programs to make sure you get all medically necessary

Medi-Cal benefits covered by KFHC

Outpatient (ambulatory) services

You can get adult immunizations (shots) from an in-network provider without pre-approval (prior authorization). KFHC covers shots recommended by the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC), including shots you need when you travel.

You can also get some adult immunization (shots) services in a pharmacy through Medi-Cal Rx. To learn more about Medi-Cal Rx, read “Other Medi-Cal programs and services” in this chapter.

Dyadic services

KFHC covers medically necessary dyadic behavioral health (DBH) care services for members and their caregivers. A dyad is a child and their parents or caregivers. Dyadic care serves parents or caregivers and child together. It targets family well-being to support healthy child development and mental health.

Dyadic care services include DBH well-child visits, dyadic comprehensive Community Supports services, dyadic psycho-educational services, dyadic parent or caregiver services, dyadic family training, and counseling for child development, and maternal mental health services.

You can get many services through telehealth.

Telehealth may not be available for all covered services. You can contact your provider to learn which services you can get through telehealth. It is important that you and your provider agree that using telehealth for a service is appropriate for you. You have the right to in-person services. You are not required to use telehealth even if your provider agrees that it

is appropriate for you.

Mental health services

Outpatient mental health services

KFHC covers initial mental health assessments without needing pre-approval (prior authorization). You can get a mental health assessment at any time from a licensed mental health provider in the KFHC network without a referral.

Your PCP or mental health provider might make a referral for more mental health screening to a specialist in the KFHC network to decide the level of care you need. If your mental health screening results find you are in mild or moderate distress or have impaired mental, emotional, or behavioral functioning, KFHC can provide mental health services for you.

KFHC covers mental health services such as:

- Individual and group mental health evaluation and treatment (psychotherapy)
- Psychological testing when clinically indicated to evaluate a mental health condition
- Development of cognitive skills to improve attention, memory and problem solving
- Outpatient services for the purposes of monitoring medication therapy
- Outpatient laboratory services
- Outpatient medicines that are not already covered under the Medi-Cal Rx Contract Drugs List (<https://medi-calrx.dhcs.ca.gov/home/>), supplies and supplements

For help finding more information on mental health services provided by KFHC, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

If treatment you need for a mental health disorder is not available in the KFHC network or your PCP or mental health provider cannot give the care you need in the time listed above in “Timely access to care,” KFHC will cover and help you get out-of-network services.

If your mental health screening shows that you may have a higher level of impairment and need specialty mental health services (SMHS), your PCP or your mental health provider can refer you to the county mental health plan to get the care you need.

To learn more, read “Other Medi-Cal programs and services” on page 8 under, “Specialty mental health services.”

Emergency care

Inpatient and outpatient services needed to treat a medical emergency

KFHC covers all services needed to treat a medical emergency that happens in the U.S.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

(including territories such as Puerto Rico, U.S. Virgin Islands, etc.). KFHC also covers emergency care that requires hospitalization in Canada or Mexico. A medical emergency is a medical condition with severe pain or serious injury. The condition is so serious that, if it does not get immediate medical attention, a prudent (reasonable) layperson (not a health care professional) could expect it to result in:

- Serious risk to your health,
- Serious harm to bodily functions,
- Serious dysfunction of any bodily organ or part, or
- Serious risk in cases of a pregnant person in active labor, meaning labor at a time when either of the following would occur:
 - There is not enough time to safely transfer you to another hospital before delivery.
 - The transfer may pose a threat to your health or safety or to that of your unborn child.

If a hospital emergency room provider gives you up to a 72-hour supply of an outpatient prescription drug as part of your treatment, KFHC will cover the prescription drug as part of your covered Emergency Services. If a hospital emergency room provider gives you a prescription that you have to take to an outpatient pharmacy to be filled, Medi-Cal Rx will cover that prescription.

If a pharmacist at an outpatient pharmacy gives you an emergency supply of a medication, that emergency supply will be covered by Medi-Cal Rx and not KFHC. If the pharmacy needs help giving you an emergency medication supply, have them call Medi-Cal Rx at 1-800-977-2273.

Emergency transportation services

KFHC covers ambulance services to help you get to the nearest place of care in an emergency. This means your condition is serious enough that other ways of getting to a place of care could risk your health or life. No services are covered outside the U.S. except emergency care that requires you to be in the hospital in Canada or Mexico. If you get emergency ambulance services in Canada or Mexico and you are not hospitalized during that care episode, KFHC will not cover your ambulance services.

Hospice and palliative care

KFHC covers hospice care and palliative care for children and adults, which help reduce physical, emotional, social, and spiritual discomforts. Adults ages 21 years or older may not get hospice care and palliative care services at the same time.

Hospice Care

Hospice care is a benefit for terminally ill members. Hospice care requires the member to have a life expectancy of 6 months or less. It is an intervention that focuses mainly on pain and symptom management rather than on a cure to prolong life.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Hospice care includes:

- Nursing services
- Physical, occupational or speech services
- Medical social services
- Home health aide and homemaker services
- Medical supplies and appliances
- Some drugs and biological services (some may be available through Medi-Cal Rx)
- Counselling services
- Continuous nursing services on a 24-hour basis during periods of crisis and as necessary to maintain the terminally ill member at home
- Inpatient respite care for up to five consecutive days at a time in a hospital, skilled nursing facility or hospice facility
- Short-term inpatient care for pain control or symptom management in a hospital, skilled nursing facility or hospice facility

Palliative Care

Palliative care is patient and family-centered care that improves quality of life by anticipating, preventing, and treating suffering. Palliative care does not require the member to have a life expectancy of six months or less. Palliative care may be provided at the same time as curative care.

Palliative care includes:

- Advance care planning
- Palliative care assessment and consultation
- Plan of care including all authorized palliative and curative care
- Plan of care team including, but not limited to:
 - Doctor of medicine or osteopathy
 - Physician assistant
 - Registered nurse
 - Licensed vocational nurse or nurse practitioner
 - Social worker
 - Chaplain
- Care coordination
- Pain and symptom management
- Mental health and medical social services

Adults who are age 21 or older cannot receive both palliative care and hospice care at the same time. If you are getting palliative care and qualify for hospice care, you can ask to change to hospice care at any time.

It includes individual sequencing, trio sequencing for a parent or parents and their baby, and ultra-rapid sequencing.

RWGS is a new way to diagnose conditions in time to affect Intensive Care Unit (ICU) care of children one year of age or younger. If your child qualifies for California Children's Services (CCS), CCS may cover the hospital stay and the RWGS.

KFHC covers medically necessary surgeries performed in a hospital.

The Postpartum Care Extension (PPCE) Program

KFHC covers post-partum care for up to 12 months after the end of the pregnancy regardless of income, citizenship, or immigration status. No other action is needed.

Rehabilitative and habilitative (therapy) services and devices

This benefit includes services and devices to help people with injuries, disabilities, or chronic conditions to gain or recover mental and physical skills.

- The services are medically necessary
- The services are to address a health condition
- The services are to help you keep, learn, or improve skills and functioning for daily living

Audiology (hearing)

KFHC covers audiology services. Outpatient audiology is limited to 2 services per month, in combination with acupuncture, chiropractic, occupational therapy, and speech therapy services (limits do not apply to children under age 21). Behavioral health treatments

KFHC covers behavioral health treatment (BHT) services for members under 21 years old through the EPSDT benefit. BHT includes services and treatment programs such as applied behavior analysis and evidence-based behavior intervention programs that develop or restore, to the maximum extent practicable, the functioning of a person under 21 years old.

BHT services teach skills using behavioral observation and reinforcement or through prompting to teach each step of a targeted behavior. BHT services are based on reliable evidence. They are not experimental. Examples of BHT services include behavioral interventions, cognitive behavioral intervention packages, comprehensive behavioral treatment, and applied behavioral analysis.

BHT services must be medically necessary, prescribed by a licensed doctor or psychologist, approved by the plan, and provided in a way that follows the approved treatment plan.

Cardiac rehabilitation

KFHC covers inpatient and outpatient cardiac rehabilitative services.

Durable medical equipment (DME)

KFHC covers the purchase or rental of DME supplies, equipment, and other services with a prescription from a doctor, physician assistant, nurse practitioner, or clinical nurse specialist. In some cases, these items may be approved when your doctor submits a request for pre-approval (prior authorization).

Enteral and parenteral nutrition

These methods of delivering nutrition to the body are used when a medical condition prevents you from eating food normally. Enteral nutrition formulas and parenteral nutrition products may be covered through Medi-Cal Rx, when medically necessary. KFHC also covers enteral and parenteral pumps and tubing, when medically necessary.

Hearing aids

KFHC covers hearing aids if you are tested for hearing loss, the hearing aids are medically necessary, and you have a prescription from your doctor. Coverage is limited to the lowest cost aid that meets your medical needs. KFHC will cover one hearing aid unless an aid for each ear is needed for results much better than you can get with one aid.

Hearing aids for members under age 21:

In Kern County, state law requires children who need hearing aid to be referred to the California Children's Services (CCS) program to decide if the child qualifies for CCS. If the child qualifies for CCS, CCS will cover the costs for medically necessary hearing aids. If the child does not qualify for CCS, we will cover medically necessary hearing aids as part of Medi-Cal coverage.

Hearing aids for members age 21 and older:

Under Medi-Cal, KFHC cover the following for each covered hearing aid:

- Ear molds needed for fitting
- One standard battery package
- Visits to make sure the aid is working right
- Visits for cleaning and fitting your hearing aid

Under Medi-Cal, KFHC will cover a replacement hearing aid if:

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Transportation benefits for situations that are not emergencies

You can get medical transportation if you have medical needs that do not allow you to use a car, bus, or taxi to your appointments. You can get medical transportation for covered services and Medi-Cal covered pharmacy appointments. You can request medical transportation by asking your doctor, dentist, podiatrist, or mental health or substance use disorder provider for it. Your provider will decide the correct type of transportation to meet your needs.

If they find that you need medical transportation, they will prescribe it by filling out a form and submitting it to KFHC. Once approved, the approval is good for up to 12 months, depending on the medical need. Once approved, you can get as many rides as you need. Your doctor will need to reassess your medical need for medical transportation and re-approve it every 12 months.

Medical transportation is an ambulance, litter van, wheelchair van, or air transport. KFHC allows the lowest cost medical transportation for your medical needs when you need a ride to your appointment. That means, for example, if you can physically or medically be transported by a wheelchair van, KFHC will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

You will get medical transportation if:

- It is physically or medically needed, with a written authorization by a doctor or other provider because you are not able to physically or medically able to use a bus, taxi, car or van to get to your appointment.
- You need help from the driver to and from your home, vehicle or place of treatment due to a physical or mental disability.

To ask for medical transportation that your doctor has prescribed for non-urgent (routine) appointments, call KFHC's Transportation Department at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) and select option 3 at least 5 business days (Monday-Friday) before your appointment. For urgent appointments, call as soon as possible. Have your member ID card ready when you call.

Limits of medical transportation

KFHC provides the lowest cost medical transportation that meets your medical needs to the closest provider from your home where an appointment is available. You cannot get

medical transportation if Medi-Cal does not cover the service you are getting, or it is not a Medi-Cal-covered pharmacy appointment. There is a list of covered services in this Member Handbook.

If Medi-Cal covers the appointment type but not through the health plan, KFHC will not cover the medical transportation but can help you schedule your transportation with Medi-Cal. Transportation is not covered outside of the network or service area unless pre-authorized by KFHC. To learn more or to ask for medical transportation, call KFHC's Transportation Department at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) and select option 3.

Cost to member

There is no cost when KFHC arranges transportation.

How to get non-medical transportation

Your benefits include getting a ride to your appointments when the appointment is for a Medi-Cal covered service and you do not have any access to transportation. You can get a ride, at no cost to you, when you have tried all other ways to get transportation and are:

- Traveling to and from an appointment for a Medi-Cal service authorized by your provider, or
- Picking up prescriptions and medical supplies

KFHC allows you to use a car, taxi, bus, or other public or private way of getting to your medical appointment for Medi-Cal-covered services. KFHC will cover the lowest cost of non-medical transportation type that meets your needs. Sometimes, KFHC can reimburse you (pay you back) for rides in a private vehicle that you arrange. KFHC must approve this before you get the ride.

You must tell us why you cannot get a ride any other way, such as by bus. You can call, email, or tell us in person. If you have access to transportation or can drive yourself to the appointment, KFHC will not reimburse you. This benefit is only for members who do not have access to transportation.

For mileage reimbursement, you must submit copies of the driver's:

- Driver's license,
- Vehicle registration, and
- Proof of car insurance

To request a ride for services that have been authorized, call KFHC at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) and select option 3 at least 5 business days (Monday-Friday) before your appointment. Or call as soon as you can when you have an urgent appointment. Have your member ID card ready when you call.

Note: American Indians may also contact their local Indian Health Clinic to request non-medical transportation.

Travel expenses

In some cases, if you have to travel for doctor's appointments that are not available near your home, KFHC can cover travel expenses such as meals, hotel stays, and other related expenses such as parking, tolls, etc. They may also be covered for someone who is traveling with you to help you with your appointment or someone who is donating an organ to you for an organ transplant. You need to request pre-approval (prior authorization) for these services by contacting KFHC Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield).

Basic care management

Getting care from many different providers or in different health systems is challenging. KFHC wants to make sure members get all medically necessary services, prescription medicines, and behavioral health services. KFHC can help coordinate and manage your health needs, at no cost to you. This help is available even when another program covers the services.

It can be hard to figure out how to meet your health care needs after you leave the hospital or if you get care in different systems. Here are some ways KFHC can help members:

- If you have trouble getting a follow-up appointment or medicines after you are discharged from the hospital, KFHC can help you
- If you need help getting to an in-person appointment, KFHC can help you get free transportation

If you have questions or concerns about your health or the health of your child, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Complex Care Management (CCM)

Members with more complex health needs may qualify for extra services focused on care coordination. KFHC offers Complex Care Management (CCM) services to members identified as high risk due to complex and chronic health conditions. The Complex Care Management program offers nurses and social workers that will work with you towards meeting your health care goals. Through phone contact with a care manager, they can help you address your health concerns by working with you and your primary care provider. Members are enrolled into CCM through:

- Member Self-Referral (You can call us to review your case)
- Member Services Referral (Our call center team can let the CCM team know to look over your case)
- Provider Referral (Your doctor can refer you)
- Hospital Referral (The discharge planner at the hospital can refer you)

Members who are enrolled in CCM and Enhanced Care Management (read below) have an Assigned Care Manager at KFHC who can help not only basic care management described above, but also an expanded set of transitional care supports that are available if you are discharged from a hospital, skilled nursing facility, psychiatric hospital, or residential treatment.

Enhanced Care Management (ECM)

KFHC covers ECM services for members with highly complex needs. ECM has extra services to help you get the care you need to stay healthy. It coordinates your care from different doctors and other health care providers. ECM helps coordinate primary and preventive

A Lead Care Manager can also help you find and apply for other services in your community. ECM includes:

- Outreach and engagement

- Health promotion
- Comprehensive transitional care

To find out if ECM may be right for you, talk to your KFHC representative or health care provider.

Cost to member

There is no cost to the member for ECM services.

Members who qualify may choose to opt into the program or you can opt out of the program at any time.

Community Supports

You may get supports under your Individualized Care Plan. Community Supports are medically appropriate and cost-effective alternative services or settings to those covered under the Medi-Cal State Plan. These services are optional for members. If you qualify, these services might help you live more independently. They do not replace benefits you already get under Medi-Cal.

Major Organ Transplant

Transplants for children under age 21

In Kern County, state law requires children who need transplants to be referred to the California Children’s Services (CCS) program to decide if the child qualifies for CCS. If the child qualifies for CCS, CCS will cover the costs for the transplant and related services.

If the child does not qualify for CCS, KFHC will refer the child to a qualified transplant center for evaluation. If the transplant center confirms that the transplant would be needed and safe, KFHC will cover the transplant and related services.

Transplants for adults age 21 and older

If your doctor decides you may need a major organ transplant, KFHC will refer you to a qualified transplant center for an evaluation. If the transplant center confirms a transplant is needed and safe for your medical condition, KFHC will cover the transplant and other related services.

The major organ transplants KFHC covers include, but are not limited to:

- Bone marrow
- Heart
- Heart/Lung
- Kidney
- Kidney/Pancreas
- Liver

Street medicine programs

Members experiencing homelessness may receive covered services from Street Medicine Providers within KFHC’s provider network. A Street Medicine Provider is a licensed primary care physician or primary care non-physician in-network. Members experiencing homelessness may be able to select a KFHC Street Medicine Provider to be their Primary Care Provider (PCP) if the Street Medicine Provider meets PCP eligibility criteria and agrees to be the member’s PCP. Other Medi-Cal programs and services

Other services you can get through Fee-For-Service (FFS) Medi-Cal or other Medi-Cal programs

KFHC does not cover some services, but you can still get them through FFS Medi-Cal or other Medi-Cal programs. KFHC will coordinate with other programs to make sure you get all medically necessary services, including those covered by another program and not KFHC. This section lists some of these services. To learn more, call 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711).

Outpatient prescription drugs

Prescription drugs covered by Medi-Cal Rx

Prescription drugs given by a pharmacy are covered by Medi-Cal Rx, which is a Medi-Cal FFS program. KFHC might cover some drugs a provider gives in an office or clinic. If your provider prescribes drugs given in the doctor's office, infusion center, or by a home infusion provider, these are considered physician-administered drugs.

If a non-pharmacy based medical health care professional administers a drug, it is covered under the medical benefit. Your provider can prescribe you drugs on the Medi-Cal Rx Contract Drugs List.

Sometimes, you need a drug not on the Contract Drugs List. These drugs need approval before you can fill the prescription at the pharmacy. Medi-Cal Rx will review and decide these requests within 24 hours.

- A pharmacist at your outpatient pharmacy may give you a 14-day emergency supply if they think you need it. Medi-Cal Rx will pay for the emergency medicine an outpatient pharmacy gives.
- Medi-Cal Rx may say no to a non-emergency request. If they do, they will send you a letter to tell you why. They will tell you what your choices are. To learn more, read "Complaints" in Chapter 6.

To find out if a drug is on the Contract Drugs List or to get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711.

Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Pharmacies

If you are filling or refilling a prescription, you must get your prescribed drugs from a pharmacy that works with Medi-Cal Rx. You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at: <https://medi-calrx.dhcs.ca.gov/home/>.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

You can also find a pharmacy near you or a pharmacy that can mail your prescription to you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711.

Once you choose a pharmacy, take your prescription to the pharmacy. Your provider can also send it to the pharmacy for you. Give the pharmacy your prescription with your Medi-Cal Benefits Identification Card (BIC). Make sure the pharmacy knows about all medicines you are taking and any allergies you have. If you have any questions about your prescription, ask the pharmacist.

Members can also get transportation services from KFHC to get to pharmacies. To learn more about transportation services, read “Transportation benefits for situations that are not emergencies” in Chapter 4 of this handbook.

Specialty mental health services

Some mental health services are provided by county mental health plans instead of KFHC. These include specialty mental health services (SMHS) for Medi-Cal members who meet rules for SMHS. SMHS may include these outpatient, residential, and inpatient services:

Substance use disorder treatment services

KFHC encourages members who want help with alcohol use or other substance use to get care. Services for substance use are available from general care providers such as primary care, inpatient hospitals, and emergency departments and from specialty substance use service providers. County Behavioral Health Plans often provide specialty services.

To learn more about treatment options for substance use disorders, call Member Services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711), Monday through Friday, 8:00 am to 5:00 pm and ask to be transferred to Behavioral Health.

KFHC members can have an assessment to match them to the services that best fit their health needs and preferences. When medically necessary, available services include outpatient treatment, residential treatment, and medicines for substance use disorders (also called Medication Assisted Treatment (MAT)) such as buprenorphine, methadone, and naltrexone.

The county provides substance use disorder services to Medi-Cal members who qualify for these services. Members who are identified for substance use disorder treatment services are referred to their county department for treatment. For a list of all counties' telephone numbers go to https://dhcs.ca.gov/individuals/Pages/SUD_County_Access_Lines.aspx.

KFHC will provide or arrange for MAT to be given in primary care, inpatient hospital, emergency department, and other medical settings. The Behavioral Health Department will provide linkage to Kern Behavioral Health and Recovery Services (KBHRS), Drug Medi-Cal Organized Delivery System (DMC-ODS), and will complete the warm hand off to the SUD Access Line for an intake assessment, American Society of Addiction Medicine (ASAM) screening, to determine level of care that describes the intensity of treatment services that matches the member's individual needs.

Dental services

The Medi-Cal Dental FFS Program is the same as FFS Medi-Cal for your dental services. Before you get dental services, you must show your BIC to the dental provider. Make sure the provider takes FFS Dental and you are not part of a managed care plan that covers dental services.

Medi-Cal covers a broad range of dental services through the Medi-Cal Dental Program, including:

- Diagnostic and preventive dental services such as examinations, X-rays and teeth cleanings
- Emergency services for pain control
- Tooth extractions

California Children's Services (CCS)

CCS is a Medi-Cal program that treats children under 21 years of age with certain health conditions, diseases, or chronic health problems and who meet the CCS program rules. If KFHC or your PCP believes your child has a CCS-eligible condition, they will be referred to the CCS county program to check if they qualify.

County CCS program staff will decide if your child qualifies for CCS services. KFHC does not decide CCS eligibility. If your child qualifies to get this type of care, CCS providers will treat him or her for the CCS-eligible condition. KFHC will continue to cover the types of service that do not have to do with the CCS condition such as physicals, vaccines, and well-child checkups.

KFHC does not cover services that the CCS program covers. For CCS to cover these services, CCS must approve the provider, services, and equipment.

CCS does not cover all health conditions. CCS covers most health conditions that physically disable or need treatment with medicines, surgery, or rehabilitation (rehab). Examples of CCS-eligible conditions include but are not limited to:

- Congenital heart disease
- Cancers
- Tumors
- Hemophilia
- Sickle cell anemia
- Thyroid problems
- Diabetes
- Serious chronic kidney problems
- Liver disease
- Intestinal disease
- Cleft lip/palate

- Rheumatoid arthritis
- Muscular dystrophy

To learn more about CCS, go to <https://www.dhcs.ca.gov/services/ccs>. Or call Member Services at 1-661-632-1590 (Bakersfield) 1-800-391-2000 (outside of Bakersfield) (TTY 711).

1915(c) waiver Home and Community-Based Services (HCBS)

California's six Medi-Cal 1915(c) waivers allow the state to provide services to persons who would otherwise need care in a nursing facility or hospital in the community-based setting of their choice. Medi-Cal has an agreement with the Federal Government that allows waiver services to be offered in a private home or in a homelike community setting. The services offered under the waivers must not cost more than the alternative institutional level of care. HCBS Waiver recipients must qualify for full-scope Medi-Cal. The six Medi-Cal 1915(c) waivers are:

- California Assisted Living Waiver (ALW)
- California Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities
- HCBS Waiver for Californians with Developmental Disabilities (HCBS-DD)
- Home and Community-Based Alternatives (HCBA) Waiver
- Medi-Cal Waiver Program (MCWP), formerly called the Human Immunodeficiency Virus/Acquired Immune Deficiency Syndrome (HIV/AIDS) Waiver
- Multipurpose Senior Services Program (MSSP)

To learn more about the Medi-Cal Waivers, go to <https://www.dhcs.ca.gov/services/Pages/HCBSWaiver.aspx>. Or call Member Services at 1-661-632-1590 (Bakersfield) 1-800-391-2000 (outside of Bakersfield) (TTY 711).

In-Home Supportive Services (IHSS)

The In-Home Supportive Services (IHSS) program provides in-home personal care assistance to qualified aged, blind, and disabled persons as an alternative to out-of-home care. It enables recipients to stay safely in their own homes.

To learn more about IHSS available in your county, go to <https://www.cdss.ca.gov/inforesources/ihss>. Or call your local county social services agency.

Evaluation of new and existing medical technologies

KFHC reviews new medical technologies and new uses for existing medical technologies to decide if it may be covered.

KFHC reviews requests for new technologies received from health care providers on a case-by-case basis within fifteen (15) working days of receipt. Urgent reviews are those where your health may be affected if a decision is delayed more than twenty-four (24) hours. An emergency review may be completed within the same day of receiving the request if there is a threat to your life or limb.

KFHC also reviews new medical technologies for benefit coverage that may not be requested by a health care provider.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

5. Child and youth well care

Child and youth members under 21 years old can get special health services as soon as they are enrolled. This makes sure they get the right preventive, dental, and mental health care, including developmental and specialty services. This chapter explains these services.

Pediatric services (Children under age 21)

Members under 21 years old are covered for needed care. The list below includes medically necessary services to treat or care for any defects and physical or mental diagnoses.

Covered services include, but are not limited to:

- Well-child visits and teen check-ups (Important visits children need)
- Immunizations (shots)
- Behavioral health assessment and treatment
- Mental health evaluation and treatment, including individual, group, and family psychotherapy (specialty mental health services are covered by the county)
- Adverse childhood experiences (ACE) screening

- Health and preventive education
- Vision services
- Dental services (covered under Medi-Cal Dental)
- Hearing services (covered by California Children's Services (CCS) for children who qualify. KFHC will cover services for children who do not qualify for CCS).

EPSDT services that are recommended by pediatricians' Bright Futures guidelines to help you, or your child stay healthy are covered at no cost to you. To read these guidelines, go to https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf.

Well-child health check-ups and preventive care

Preventive care includes regular health check-ups, screenings to help your doctor find problems early, and counseling services to detect illnesses, diseases, or medical conditions before they cause problems. Regular check-ups help you or your child's doctor look for any problems. Problems can include medical, dental, vision, hearing, mental health, and any substance (alcohol or drug) use disorders. KFHC covers check-ups to screen for problems (including blood lead level assessment) any time there is a need for them, even if it is not during your or your child's regular check-up.

Preventive care also includes shots you or your child need. KFHC must make sure all enrolled children are up to date with all the shots they need when they have their visits with their doctor. Preventive care services and screenings are available at no cost and without pre-approval (prior authorization).

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Your child should get check-ups at these ages:

- Lab tests, including blood lead poisoning testing
- Health education

If the doctor finds a problem with your or your child's physical or mental health during a check-up or screening, you or your child might need to get medical care. KFHC will cover that care at no cost to you, including:

- Doctor, nurse practitioner and hospital care
- Shots to keep you healthy
- Physical, speech/language, and occupational therapies

Blood lead poisoning screening

All children enrolled in KFHC should get blood lead poisoning screening at 12 and 24 months of age or between 36 and 72 months of age if they were not tested earlier. Children should also be screened whenever the doctor believes a life change has put the child at risk.

Help getting child and youth well care services

KFHC will help members under 21 years old and their families get the services they need. A KFHC care coordinator can:

- Tell you about available services
- Help find in-network providers or out-of-network providers, when needed
- Help make appointments
- Arrange medical transportation so children can get to their appointments
- Help coordinate care for services available through Fee-for-Service (FFS) Medi-Cal, such as:
 - Treatment and rehabilitative services for mental health and substance use disorders
 - Treatment for dental issues, including orthodontics

Other services you can get through Fee-For-Service (FFS) Medi-Cal or other programs

Dental check-ups

Keep your baby's gums clean by gently wiping the gums with a washcloth every day. At about four to six months, "teething" will begin as the baby teeth start to come in. 6. Reporting and solving problems

There are two ways to report and solve problems:

- Use a **complaint (grievance)** is when you have a problem or are unhappy with KFHC or a provider or with the health care or treatment you got from a provider
- Use an **appeal** when you don't agree with KFHC's decision to change your services or to not cover them.

You have the right to file grievances and appeals with KFHC to tell us about your problem. This does not take away any of your legal rights and remedies. We will not discriminate or retaliate against you for filing a complaint with us or reporting issues. Telling us about your problem will help us improve care for all members.

You may contact KFHC first to let us know about your problem. Call us between 8:00 am and 5:00 pm, Monday through Friday at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). Tell us about your problem. You may also file a grievance:

- By logging into your Member Portal

Going online at <https://www.kernfamilyhealthcare.com>

- In person at the KFHC office: 2900 Buck Owens Blvd, Bakersfield, CA 93308

If your grievance or appeal is still not resolved after 30 days, or you are unhappy with the result, you can call the California Department of Managed Health Care (DMHC). If your matter is urgent, such as those involving a serious threat to your health, you may call DMHC right away without first filing a grievance or appeal with KFHC. Complaints related to Medi-Cal Rx pharmacy benefits are not subject to the KFHC grievance process or eligible for Independent Medical Review. Members can submit complaints about Medi-Cal Rx pharmacy benefits by calling 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711. Or go to <https://medi-calrx.dhcs.ca.gov/home/>.

You can find the Independent Medical Review/Complaint form and instructions online at the DMHC's website: <https://www.dmhc.ca.gov/>.

Appeals

An appeal is different from a complaint. An appeal is a request for us to review and change a decision we made about your services. If we sent you a Notice of Action (NOA) letter telling you that we are denying, delaying, changing, or ending a service, and you do not agree with our decision, you can ask us for an appeal. Your authorized representative or provider can also ask us for an appeal for you with your written permission.

You must ask for an appeal within 60 days from the date on the NOA you got from us. If we decided to reduce, suspend, or stop a service you are getting now, you can continue getting that services while you wait for your appeal to be decided. This is called Aid Paid Pending. To get Aid Paid Pending, you must ask us for an appeal within 10 days from the date on the NOA or before the date we said your services will stop, whichever is later. When you request an appeal under these circumstances, the services will continue.

You can file an appeal by phone, in writing or online:

- **By phone:** Call KFHC at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) between 8:00 am and 5:00 pm, Monday through Friday. Give your name, health plan ID number and the service you are appealing.
- **By mail:** Call KFHC at (661) 632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711) and ask to have a form sent to you. When you get the form, fill it out. Be sure to include your name, health plan ID number and the service you are appealing.

Within 5 days of getting your appeal, we will send you a letter telling you we got it. Within 30 days, we will tell you our appeal decision and send you a Notice of Appeal Resolution (NAR) letter. If we do not give you our appeal decision within 30 days, you can request a State Hearing from the California Department of Social Services (CDSS) and an Independent Medical Review (IMR) with DMHC. But if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR with DMHC. In this case, the State Hearing has final say.

If you or your doctor wants us to make a fast decision because the time it takes to decide your appeal would put your life, health, or ability to function in danger, you can ask for an expedited (fast) review. To ask for an expedited review, call 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). We will decide within 72 hours of receiving your appeal.

What to do if you do not agree with an appeal decision

If you requested an appeal and got a NAR letter telling you we did not change our decision, or you never got a NAR letter and it has been past 30 days, you can:

- Ask for a **State Hearing** from the California Department of Social Services (CDSS), and a judge will review your case. CDSS' toll-free telephone number is 1-800-743-8525(TTY1-800-952-8349). You can also ask for a State Hearing online at <https://www.cdss.ca.gov>.
- File an Independent Medical Review/Complaint form with the Department of Managed Health Care (DMHC) to have KFHC's decision reviewed. Or ask for an **Independent Medical Review (IMR)** from DMHC. If your complaint qualifies for DMHC's Independent Medical Review (IMR) process, an outside doctor who is not part of KFHC will review your case and make a decision that KFHC must follow.

DMHC's toll-free telephone number is 1-888-466-2219 (TTY 1-877-688-9891). You can find the Independent Medical Review/Complaint form and instructions online at the DMHC's website: <https://www.dmhc.ca.gov>.

You will not have to pay for a State Hearing or an IMR.

You are entitled to both a State Hearing and an IMR. But if you ask for a State Hearing first and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

The sections below have more information on how to ask for a State Hearing and an IMR.

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

Complaints and appeals related to Medi-Cal Rx pharmacy benefits are not handled by KFHC. You can submit complaints and appeals about Medi-Cal Rx pharmacy benefits by calling 1-800-977-2273 (TTY 1-800-977-2273) and press 5 or 711. Complaints and appeals related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for an Independent Medical Review (IMR).

If you do not agree with a decision related to your Medi-Cal Rx pharmacy benefit, you may ask for a State Hearing. You cannot ask DMHC for an IMR for Medi-Cal Rx pharmacy benefit decisions.

Complaints and Independent Medical Reviews (IMR) with the Department of Managed Health Care (DMHC)

An IMR is when an outside doctor who is not related to your health plan reviews your case. If you want an IMR, you must first file an appeal with KFHC. If you do not hear from your health plan within 30 calendar days, or if you are unhappy with your health plan's decision, then you may request an IMR. You must ask for an IMR within 6 months from the date on the notice telling you of the appeal decision, but you only have 120 days to request a State Hearing so if you want an IMR and a State hearing file your complaint as soon as you can. Remember, if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

You may be able to get an IMR right away without first filing an appeal with KFHC. This is in cases where your health concern is urgent, such as those involving a serious threat to your health.

If your complaint to DMHC does not qualify for an IMR, DMHC will still review your complaint to make sure KFHC made the correct decision when you appealed its denial of services.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's internet website <https://www.dmhc.ca.gov/> has

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

complaint forms, IMR application forms and instructions online.

State Hearings

A State Hearing is a meeting with KFHC and a judge from the CDSS. The judge will help to resolve your problem or tell you that we made the correct decision. You have the right to ask for a State Hearing if you already asked for an appeal with us and you are still not happy with our decision, or if you did not get a decision on your appeal after 30 days.

You must ask for a State Hearing within 120 days from the date on our NAR letter. If we gave you Aid Paid Pending during your appeal and you want it to continue until there is a decision on your State Hearing, you must ask for a State Hearing within 10 days of our NAR letter or before the date we said your services will stop, whichever is later.

If you need help making sure Aid Paid Pending will continue until there is a final decision on your State Hearing, contact KFHC between 8:00 am and 5:00 pm, Monday through Friday by calling 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield). If you cannot hear or speak well, call 711. Your authorized representative or provider can ask for a State Hearing for you with your written permission.

Sometimes you can ask for a State Hearing without completing our appeal process.

For example, if we did not notify you correctly or on time about your services, you can request a State Hearing without having to complete our appeal process. This is called Deemed Exhaustion. Here are some examples of Deemed Exhaustion:

- We did not make a NOA or NAR letter available to you in your preferred language
- We made a mistake that affects any of your rights
- We did not give you a NOA letter
- We did not give you a NAR letter
- We made a mistake in our NAR letter
- We did not decide your appeal within 30 days. We decided your case was urgent but did not respond to your appeal within 72 hours.

You can ask for a State Hearing in these ways:

At the hearing, you will give your side. We will give our side. It could take up to 90 days for the judge to decide your case. KFHC must follow what the judge decides.

If you want CDSS to make a fast decision because the time it takes to have a State Hearing would put your life, health, or ability to function fully in danger, you, your authorized representative, or your provider can contact CDSS and ask for an expedited (fast) State Hearing. CDSS must make a decision no later than 3 business days after it gets your complete case file from KFHC.

Notice about laws

Many laws apply to this Member Handbook. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are state and federal laws about the Medi-Cal program. Other federal and state laws may apply too.

Notice about Medi-Cal as a payer of last resort, other health coverage and tort recovery

The Medi-Cal program follows state and federal laws and regulations relating to the legal liability of third parties for health care services to members. KFHC will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

Medi-Cal members may have other health coverage (OHC), also referred to as private health insurance. As a condition of Medi-Cal eligibility, you must apply for or retain any available OHC when there is no cost to you.

Federal and state laws require Medi-Cal members to report OHC and any changes to an existing OHC. You may have to repay DHCS for any benefits paid by mistake if you don't report OHC quickly. Submit your OHC online at <https://dhcs.ca.gov/OHC>.

If you do not have access to the internet, you can report OHC to KFHC. Or call 1-800-541-5555 (TTY 1-800-430-7077 or 711) inside California, or 1-916-636-1980 (outside California).

The California Department of Health Care Services (DHCS) has the right and responsibility to collect for covered Medi-Cal services for which Medi-Cal is not the first payer. For example, if you are injured in a car accident or at work, auto or workers' compensation insurance may have to pay first, or reimburse Medi-Cal.

If you are injured, and another party is liable for your injury, you or your legal representative must notify DHCS within 30 days of filing a legal action or a claim. Submit your notification online:

- Personal Injury Program at <https://dhcs.ca.gov/PI>
- Workers' Compensation Recovery Program at <https://dhcs.ca.gov/WC>

Call member services at 1-661-632-1590 (Bakersfield) or 1-800-391-2000 (outside of Bakersfield) (TTY 711). KFHC is here Monday through Friday, 8:00 am to 5:00 pm. The call is free. Or call the California Relay Line at 711. Visit online at <https://www.kernfamilyhealthcare.com>

To learn more, visit <https://dhcs.ca.gov/tplrd> or call 1-916-445-9891.

Notice about estate recovery

The Medi-Cal program must seek repayment from probated estates of certain deceased members for Medi-Cal benefits received on or after their 55th birthday. Repayment includes Fee-for-Service (FFS) and managed care premiums or capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment cannot exceed the value of a member's probated estate.

To learn more, go to the DHCS estate recovery website at <https://dhcs.ca.gov/er> or call 1-916-650-0590.

Notice of Action

KFHC will send you a Notice of Action (NOA) letter any time KFHC denies, delays, terminates, or modifies a request for health care services. If you disagree with KFHC's decision, you can always file an appeal with KFHC. Go to the Appeals section above for important information on filing your appeal. When KFHC sends you a NOA it will tell you all the rights you have if you disagree with a decision we made.

Contents in Notices

If KFHC bases denials, delays, terminations, or changes in whole or in part on medical necessity, your NOA must contain the following:

- A statement of the action KFHC intends to take
- A clear and concise explanation of the reasons for KFHC's decision
- How KFHC decided, including the rules KFHC used
- The medical reasons for the decision. KFHC must clearly state how the member's condition does not meet the rules or guidelines.

Translations

KFHC is required to fully translate and provide written member information in common preferred languages, including all grievance and appeals notices.

The fully translated notice must include the medical reason for KFHC's decision to deny, delay, change, reduce, suspend, or stop a request for health care services.

If your preferred language is not available, the KFHC is required to offer verbal help in your preferred language so that you can understand the information you get.
